

## About Callie Hahn

Callie has been an Aveda artist with Groovy Katz Salon and Spa since 2012. I am passionate about creating looks for guests that make them feel beautiful and confident. Along with being a hair artist; I love to experience new cultures, outdoor activities, painting, and cooking. I have always enjoyed being creative, and I am a learner for life. 😊 I strive to better educate myself through diverse Aveda haircut, hair color, and skin care classes. I am certified with Great Length tape in extensions. With my attentiveness, experiences, and education I dedicate myself to help fulfill my guests needs.
